2010 LTC Spring Meeting Program

7:30-8:30 a.m.	Registration Continental Breakfast
8:30 am – 10:30 am	RACs, MICs and Non-Payment Policies: Preparing for the Future This session presents a timely overview of recent changes in Medicare, Medicaid, and other payor reimbursement and audit recovery programs. Who are the RACs AND MICS? What are the other non-payment policies that focus on “never events” and preventable serious events? How can our HIM procedures help us? The potential impacts of these initiatives on the daily operations of post acute and senior service providers should not be underestimated. This session will provide practical suggestions on steps to be considered as facilities prepare for the impact of these new payment policies. Speaker: Paula Saunders, JD Partner, Post & Schell, PC 2.0 CE: Performance Improvement/External Forces
10:30 – 11:00 am	Break in Exhibit Area Silent Auction Opens
11:00 am – 12:00 pm	LTC Regulatory Update This session reminds us that life is never dull in LTC! Keep your finger on the pulse of our ever-changing legislative and regulatory environment with this review of the latest federal laws, rules and initiatives that impact LTC. Speaker: Sue Mitchell, RHIA Independent HIM Consultant 1.5 CE: External Forces
12:00 – 1:00 pm	Lunch Buffet America’s Harvest
1:00 – 1:30 pm	LTC Regulatory Update (Continued) Sue Mitchell, RHIA
1:30 – 3:30 pm	E-Prescribing and E-MARs in LTC E-prescribing and e-MARs are becoming the rage in LTC facilities. This session provides the critical foundation for HIM professionals to understand the workflow and standards necessary for e-prescribing, the range of methods that physician orders are entered into EHR systems, e-MAR models, pharmacy board implications, and the pertinent regulatory mandates. This session also provides advice on implementation of e-prescribing and e-MARs including tips, best practices, and lessons learned from those who have begun the transition. Speaker: Frank McKinney Sue Mitchell, RHIA Independent HIM Consultant 2.0 CE: Technology/Performance Improvement
3:30– 4:00 pm	Break in Exhibit Area
4:00– 5:00 pm	Bridging the EMR Gap: Electronic Document Management This presentation will highlight one organization’s approach to EDM: how to get started, forms review, folder creation, managing workflow, document prep tips, advantages of bar coding, sample tools, document retention, handling “misfiles” and more. Speakers: Lisa Kampa, MA, RHIA, CHP, Manager, Health Information Services/Privacy Heidi Onsted, RHIA, Supervisor, Health Information Services, Chart Room, ROI, Scanning Gillette Children’s Specialty Healthcare 1.0 CE: Technology
5:00–6:00 pm	Final Bids for Silent Auction; Auction Closes at 5:30 pm

CEU’s: 6.5

Total: 13.0 LTC Meeting, 1 CEU for Visiting = 14 CEU’s
