Audioconference/Webinar

Dial directly into this live presentation from your work environment. No travel required! Fit as many colleagues as you can into a room with a speaker phone and an internet connection. Your call is a toll-free number.

Objectives:

- Provide an overview of clinical decision support (CDSS)
- The logic behind CDSS
- Effectiveness of CDSS
- Implementation challenges and opportunities

CEU

This webinar offers one (1) CEU to everyone able to attend the session at one connection location. Multiple phone lines require a separate registration for each line.

Registration Deadline

All registrations must be received in our office by 5 pm on April 2, 2010. Once the deadline is passed, we will no longer be able to accept registrations.

Cancellation: Registration fees, less a \$15 cancellation fee, are refundable if notice is received five (5) working days before the program date.

Meet the Speaker:

C. Jeanne Solberg, MA, RHIA

Independent HIM Consultant
Solberg Solutions, Inc.

Jeanne serves as an adjunct faculty member with The College of St. Scholastica's master's program in HIM and teaches Decision Support Systems. Her HIM experience includes managing EHR installations from the provider and vendor perspective; manager of financial and clinical decision support; and director of HIM, QM and UR. She has spoken on multiple occasions on subjects including decision support, data management, and EHR technology.

Who Should Attend

HIM professionals managing electronic record content; clinicians responsible for implementing and managing decision support systems; HIM professionals interested in a new career path.

Fee

MHIMA members: \$49 per connection
Nonmembers: \$89 per connection

Program materials will be available four days before the program. You'll receive instructions on how to download the presentation material for the conference, codes to access the Web site and conference call, and CEU information for everyone attending at your site. Advance registration is required to ensure delivery of instructional materials.
