Hello friends and colleagues,

After what seemed to be another lengthy and cold Minnesota winter, thankfully, the days are now getting longer and warmer! Spring is known as a time of change and growth in nature. It is also a season that presents many opportunities for each of us to change and grow professionally. Now is a great time to enhance your knowledge and skill set, grow your professional network, and assess your continuing education needs for the year ahead. The Calendar of Events page on our website continues to be your go-to resource for information regarding activities at the regional and state level, as well as roundtables and webinars that can be accessed remotely.

Sue Nathe, Jeri Romano, Joy Schmitt, Mallory Johnson, and I recently represented our state association at the AHIMA Advocacy Summit (“Hill Day”) in Washington D.C. on March 19th and 20th. We were very successful in advocating for two key HIM initiatives and were able to give a special shout out to our elected officials about YOU, our wonderful membership. Be sure to check out the corresponding article in this edition!

Our Annual Meeting is right around the corner and I hope you join us at the Minneapolis Marriott Northwest in Brooklyn Park! A large number of volunteers are hard at work putting the finishing touches on a fabulous agenda that includes educational tracks presented by local and national speakers, as well as some great entertainment. You can register for one, two, or all three days! Don’t miss this chance to network, learn, and have fun!

I would like to extend my congratulations to the newly elected Board and Audit Committee members for the 2018 – 2019 year. These volunteers will be formally accepted at our Annual Business Meeting on April 26th and begin their terms on July 1st. Thank you to the Nominating Committee for building such a strong ballot, all the candidates who ran for office, and everyone who cast their vote in this year’s election!

Please continue to enjoy your spring and I will see you later this month in Brooklyn Park!

Respectfully,

Christina M. Snaza, MS, RHIA
IN MEMORIUM...

On February 6th, our HIM community lost a dear friend and colleague as Linda Tyacke passed away after a courageous battle with metastatic breast cancer. A native of Duluth, Linda graduated from the College of St. Scholastica with a degree in Health Information Medical Records and later went on to have an extensive career in the field for over 40 years. In her role as an instructor at St. Catherine’s University, she worked tirelessly to prepare and mentor her students for a future in the HIM field. Linda was also a passionate volunteer and played a key role in the success of the student tracks at our annual conference in years past.

Many of us will remember Linda for her positive attitude and heartwarming smile, as well as her unwavering dedication to our profession and association. She will be greatly missed and our thoughts continue to be with her family and loved ones.
The 2018 MHIMA Nominating Committee is pleased to announce the results of our recent electronic ballot:

**President-Elect:** Jeri Romano, RHIT  
**Secretary:** Neysa Noreen, MS, RHIA  
**Delegate Director:** Lori Diederichs, MS, RHIA  
**Audit Committee:** Cynthia Lindberg, RHIA, CCS and Nicholas Procaccini, RHIT

We had a 14.3% voter response this year. Thank you to everyone who voted! The newly elected board members and audit committee members will be recognized at our annual business meeting Thursday, April 26th, 2018. These individuals will assume their elected positions on July 1st, 2018.

The Nomination Committee joins all MHIMA members in congratulating those elected; we thank all those who placed their names on the ballot but were not elected this year.
The 2018 MHIMA Nominating Committee and the Board of Directors are pleased to announce the 2018 MHIMA Distinguished Member.

The Distinguished Member award identifies and honors outstanding members of the Minnesota Health Information Association (MHIMA) for their loyal service to the state association. Candidates must have been an active member for five (5) years or longer and have made an outstanding contribution to the profession. The Minnesota Health Information Management Association (MHIMA) Nominating Committee and Board of Directors are pleased to announce Sue Nathe, RHIT as the 2018 MHIMA Distinguished Member.

Sue has been an active member of MHIMA since 1997. She began her 16 year service history serving as Region D President from 2002-2007. During this time, Sue also chaired the Marketing and Communications Committee.

Elected as a Delegate Director for the 2006-2008 term, she later completed a three year term as MHIMA President Elect in 2009-2010, President in 2010-2011, and Past-President in 2011-2012, and is currently serving on the MHIMA Audit Committee. Sue has represented MHIMA on several AHIMA committees during her tenure, including as AHIMA State Advocacy Committee Chair from 2012-2014 and as a member of the Triumph Awards Foundation Board in 2012. She serves as a liaison with the Medi-Sota HIM group, and continues to liaise with and provide presentations to AAPC. Most notably, Sue has remained a tireless voice for the health information management industry, as a participant in, and chair of MHIMA’s advocacy committee, and has attended AHIMA Capitol Hill Day in Washington, DC to represent MHIMA for over 10 years.

Since her graduation in 1997, Sue has held a variety of roles within the health
DISTINGUISHED MEMBER

information management profession. She began her career as a medical transcriptionist (Litchfield Medical Clinic, Litchfield, MN) and as a medical coder (Lakeview Medical Clinic, Sauk Centre, MN). She later became the Medical Records Supervisor and HIPAA Privacy Officer at St. Michael’s Hospital in Sauk Centre, MN. Sue was the CEO/Owner of Medical Supplies, Inc. and TruCare Pharmacy in Willmar, MN, and provided administrative oversight for Divine House, Inc., a corporation that provides adult foster care services to developmentally disabled consumers across the state of MN. She has served as adjunct faculty in the HIM program for Ridgewater College, and was a member of the HIM Advisory Board from 2003-2014, and now sits on the M-State Advisory Board. Sue is currently the HIM Manager of Tri-County Health Care in Wadena, MN, a critical access hospital with 7 clinics, and her resume includes over 20 presentations provided throughout the years to the 7 regions, state and national levels, many of which provided advocacy training.

Sue’s knowledge and passion for HIM advocacy and especially as a voice for rural healthcare facilities in Minnesota are unflagging, and evident in the many activities she is involved in. In recognition of this and all she has given to our Association, MHIMA proudly confers on Sue Nathe its 2018 Distinguished Member award.

I hope you will join us in celebrating the recognition of this outstanding HIM professional at our 2018 Annual Meeting. Our Distinguished Member will be honored on Thursday, April 26, 2018.

Warm regards,

Kristi Lundgren, MS, RHIA
Past President, MHIMA
2018 Nominating Committee Chairperson
OUTSTANDING STUDENT AWARD

The 2018 MHIMA Nominating Committee and the Board of Directors are pleased to announce the 2018 MHIMA Outstanding Student Award!

This Achievement Award seeks to honor those who have demonstrated excellence, leadership and commitment to the future of the HIM profession.

Our Outstanding Student award recipient is Amy Haney. Amy is a senior at the College of St. Scholastica (CSS) who will graduate in May. Amy’s leadership at the College has cut across academics, student affairs, professional practice, student governance and professional involvement. In addition to academic excellence, she has also been extremely active in the College of St. Scholastica’s Student HIM Association, serving as Vice President. She has been active in student affairs and student leadership at the College. She has served as an Academic Plus Program Representative, Orientation Coordinator, and student mentoring participant. What has become clear over the course of her academic career at CSS is that Amy is committed to her own success inside and outside the classroom, but she also displays a strong commitment to the success of her peers, of the associations she is involved with, and of the College in general. She is a model student and young professional.

Please join us in congratulating Amy at our Annual Meeting, on Thursday, April 26, 2018.

Kristi Lundgren, MS, RHIA
Past President, MHIMA
2018 Nominating Committee Chairperson
2018 SCHOLARSHIP WINNERS

The MHIMA Scholarship Committee has selected the following students to receive Minnesota Merit Scholarships.

**RHIT Program:**

Barbara Easley  
Rochester Community & Technical College  
$750.00

**RHIA Program:**

Logan Johnson  
The College of Saint Scholastica  
$750.00

Emma Peters-Axtell  
The College of Saint Scholastica  
$750.00

Lynn Zormeier  
The College of Saint Scholastica  
$1,250.00

**Graduate/Masters Program:**

Darlette Hoppe  
The College of Saint Scholastica  
$1,500.00

Congratulations to these deserving students who will be recognized at the Annual Meeting on Thursday, April 26, 2018!

Watch for the July issue of MHIMA Connection for the link to the essays from these students.

Brandi Bierbrauer, RHIA, CPhT, Chairperson
2018 MHIMA Scholarship Committee
Greetings from your 2018 Annual Meeting Co-Chairs and Committee!!

The 2018 MHIMA Annual Meeting and Exhibit is just around the corner, being held April 25th – 27th at the Minneapolis Marriott Northwest in Brooklyn Park, MN.

Gina, Heather and Joy along with the enthusiastic annual committee members are putting the final touches on the 2018 MHIMA Annual Meeting. There are great speakers joining us on our “Waves of Change – Oceans of Opportunity” event this year from across the entire HIM realm. The program of events can be found on the MHIMA website. Earn up to 15 CEUs by attending educational events, plus 1 additional CEU for visiting the Exhibit Hall.

Join us as Kat Perkins, nationally recognized public speaker, and finalist of NBC’s “The Voice” opens with “An Inspiring Experience.” Following Kat, there will be wonderful keynotes, tracks, and workshops.

Along with all the fantastic educational opportunities there are a lot of activities planned that we are excited about.

- The Silent Auction will open on Wednesday at 11:30 a.m. and closing bids at 3:30 p.m. on Thursday. There will great items to bid on with all proceeds going towards the MHIMA Scholarship fund. This year the theme is “Relaxation”. Stop by the designated Silent Auction Room – Hennepin #2. Don't forget to stop by often and bid often!!

- The Vendor Reception on Wednesday immediately following the sessions will include a fun activity for all. There were many requests to bring back Bean Bag Toss Tournament. Make sure to sign up at for this event. Stop by the MHIMA booth and get signed up. Don’t worry, if you don’t have a partner, we’ll match you up with another attendee or vendor. Even if you’re not interested in playing, come watch!

- The Distinguished Member luncheon will be held on Thursday, where we will take time to honor the nominated individual as well as have a fantastic plated lunch.

- Crazy Keys - Dueling Pianos Entertainment will be 5:30 - 8:00 pm on Thursday in the Northland Ballroom. This event is included in your registration and will be a great time!

For all the details, please visit: http://www.mnhima.org/conferencesandevents/annualmeeting.html

See you soon!

Gina Sanvik, Heather Feltus, Joy Schmitt – Co-chairs and the entire Annual Meeting Committee
ANNUAL MEETING:
SILENT AUCTION

Silent Auction donations needed to support MHIMA Student Merit Scholarship Fund at AHIMA Foundation

Each year, the MHIMA Board of Directors awards scholarships to HIM students based on merit. The funds for these scholarships are derived from direct donations to the MHIMA Student Merit Scholarship Fund, and also from the proceeds of our Silent Auction held each year at the MHIMA Annual Meeting.

It's not too early to start planning your donated gift. Hit the sales, go to those home parties, shop online, create a craft project--use your imagination to create the perfect donation to make our Silent Auction interesting!

This year, we will be doing a Relaxation Corner to augment our Silent Auction. We are seeking donations of relaxation items, lotions, books, beverages (wine, beer, tea, coffee & other), get away or any other item that you enjoy relaxing with. We will also be taking all the other great donations for the regular Silent Auction.

It's ok if you haven't obtained the donated item, just let us know what you plan to donate, and the approximate value. We also would like a photo of your item when available to post on the Annual Meeting Silent Auction page on our website.

Please take a moment now to consider what you will donate, and fill out the Silent Auction Support Form (http://www.mnhima.org/conferencesandeevents/annualmeeting.html). The form is towards the middle of the page.

For any questions about the Silent Auction, contact the Executive Director (executivedirector@mnhima.org).

Thank you!

2018 MHIMA Silent Auction Committee
Calling all HIM Students!

Student AHIMA Members! What could be better than attending the MHIMA Annual Conference? Attending the annual conference AND winning the Student Jeopardy competition! The annual meeting committee would like health information students to consider competing in health information student Jeopardy. Whether you are in an HIT, HIM or earning your masters, we would love for you to compete! Form a team with your classmates and throw your collective hat in the ring.

Please form a team of 3 to 4 student AHIMA members to compete on Thursday, April 26th at 3:30p.m. Filling in for Alex Trebek will be Ryan Sandefer and David Marc. Eternal glory, everlasting fame, and fabulous prizes await the winners!!!!

To register a team, please e-mail Katie Kerr by Friday, April 13th at kkerr@css.edu, with your team name and the names of the members on your team!

Connect With a Mentor

We would like to connect each student with an AHIMA member that is attending the annual meeting. This is a great opportunity for all students!

The benefits of connecting with a mentor include:
- Learning how an HIM professional got to where they are today
- Having your resume reviewed by a professional in the field
- Learning about their professional involvement in MHIMA and AHIMA
- Gaining referrals to other professionals through their connections
- Learning about career opportunities at their place of employment
- Developing a supportive, professional relationship with someone already working in the field
- Allowing you to practice your interpersonal skills

After you register for the annual meeting, please sign up to be paired with a mentor by completing this very short Google form: https://docs.google.com/forms/d/e/1FAIpQLScuLOqZk-mj3LJ4fZ-G_8O955HKCyWuk9F3JL-pcWZV2ZyMJ2w/viewform

We would like all students interested in this year’s mentorship program to sign up by Friday, April 13th, 2018.
CALLING ALL HIM STUDENTS!

Registration Information
Please note that you must be an AHIMA member to attend the MHIMA meeting at the student rate. To join AHIMA, go to http://www.ahima.org/membership.

Once you are a member of AHIMA, register for the 2018 MHIMA Annual Meeting at: http://www.mnhima.org/conferencesandevents/annualmeeting.html.

MHIMA President Christina Snaza, Advocacy Chair Sue Nathe, Delegate Director Jeri Romano, Treasurer Joy Schmitt and Secretary Mallory Johnson kicked off Health Information Professionals (HIP) Week by attending the 2018 AHIMA Advocacy Summit in Washington D.C. on March 19th and 20th. The Advocacy Summit is a two-day conference bringing AHIMA’s leadership together to engage in dialogue that focuses on the strategic direction and advocacy efforts of the HIM profession and the Association, as well as to help ensure that HIM professionals are part of the policy decision making process. MHIMA’s representatives joined forces with leaders from 48 Component State Associations (CSA’s), AHIMA’s Board of Directors, and AHIMA’s Advocacy & Policy Counsel to advocate for the HIM profession and the importance of patient matching.

This year, there were two topics/items that we advocated for while on the Hill:

**Patient Matching** – CSAs were meeting with their respective congressmen to ask that they omit the 1999 language in the fiscal year 2019 appropriations legislation to enable HHS to work with the industry to advance a nationwide patient matching strategy. HIM professionals currently tackle a number of data integrity issues on a daily basis, and a mismatch between patients and their clinical data is a very serious patient safety issue. By omitting this language, it will allow public and private entities to begin conversations around finding a patient matching solution.
Modernizing Privacy laws to combat the opioid epidemic - This was a topic that was discussed at last year’s Summit, and this year we were asking Congress to support and/or co-sponsor H.R. 3545/S. 1850 bills, which align 42 CFR Part 2 with HIPAA for purposes of healthcare treatment, payments and operations and strengthens protections around the use of substance use disorders records in criminal proceedings. Today, Part 2 requires that substance use records are kept separate from the patient’s entire medical record. This becomes a challenge, as well as a patient safety issue because providers may be unaware of the risks to their patient from multiple drug interactions and co-existing medical problems.

All in all, it was a successful Advocacy Summit for MHIMA, even though there was some unexpected weather we battled through! It was an honor to represent our members and promote the HIM profession!

Mallory Johnson, RHIA
PATIENTS RIGHT TO ACCESS VS RELEASE OF INFORMATION

By Sue Nathe, RHIT
KFA Chair Legal Manual/Advocacy

On February 27th, I had the privilege to provide MHIMA members a free webinar entitled, “Patients Right to Access vs Release of Information”. Over 200 members across the state joined into the WebEx. This educational WebEx was provided to help HIM professionals delineate the differences between the “Patient Right to Access” and “Authorization to Release” medical information. In addition, the presentation provided information and the opportunity to discuss current challenges HIM professionals handle on an ongoing basis when patients or other entities request health information.

The WebEx reviewed the differences between what type of information must be included on a Release of Information form and the information needed on a Patient Access Request as the two forms have multiple sections that are either deemed necessary or mandatory, or just a “good idea” to have. Additional parts of the WebEx reviewed the Designated Record Set and how it is important to have a policy delineating what parts of the medical record are included in the definition, to ensure the appropriate disclosure of information.

During this hour presentation, we covered many areas including the timeliness of disclosures, and current copy fees. Members were able to review ways to request or release the information to the patients and/or their representatives in a variety of ways to include:

- Email
- Portals
- CDs
- Jump drives
- Fax
- Paper copies

A lengthy discussion was held regarding who is able to sign an Authorization for a patient, when the patient is unable and has a representative, whom is either a guardian, Power of Attorney, or the differences between the legalities of the titles. During the WebEx, an algorithm to assist with determining appropriate signing of consents was shared with the attendees. Additional links to resources from AHIMA, guidance by the OCR, and HHS Frequently Asked Questions website were provided within the presentation also.

At the conclusion, time was spent with the attendees in a Q&A session covering a variety of areas regarding the release of information in a variety of settings and the challenges often affecting HIM professionals when patient’s request medical information. For anyone who has not had the opportunity to listen to the WebEx, it is available free of charge and participants receive 1 CEU for their attendance. Also, the questions and answers that were addressed during the Q&A session are available upon request from the MHIMA Executive Director.
Body language is nonverbal and makes up a large part, perhaps 50 to 70 percent, of daily communication.

Just think about facial expressions. They can convey happiness, anger, sadness, surprise, disgust, fear, confusion, excitement, desire and contempt. Also, facial expressions are deemed to be among the most universal forms of body language. The expressions of happiness, fear, sadness and anger are similar through the world. People with joyful and smiling expressions were often considered to be more intelligent than those with angry expressions.

The eyes are capable of revealing much about what a person is thinking or feeling.

A person gazing into your eyes while talking to you shows that they are interested and paying attention. On the other hand, broken eye contact with frequently looking away may indicate the person is uncomfortable or distracted.

Blinking is natural, but not when it is excessive. People naturally blink more often when they are distressed or uncomfortable. Poker players may control their eye movements if they are purposely trying to appear unexcited about the hand they are holding.

The mouth can be essential in reading body language, such as chewing on the bottom lip may indicate feeling of worry, fear or insecurity.

While covering the mouth may be polite if yawning or coughing, it may be an attempt to cover up a frown of disapproval.

Smiles may be genuine or may be used to express false happiness, sarcasm, or even cynicism.

Tight pursed lips may indicate distaste, disapproval, or distrust.

Lip biting might be a sign that a person is stressed, anxious, or worried.

Read the signals that arms and legs may convey. Crossed arms may indicate that a person feels defensive, self-protective, or closed off. Clasping the hands behind the back might indicate that a person is feeling angry, bored, or anxious. Fidgeting or finger tapping can be a sign that a person is bored, frustrated, or impatient. Crossed legs can show that a person is feeling closed off or in the need of privacy.

Understanding a bit about body language can help you better communicate with others and interpret what others are trying to convey to you.
AHIMA VOLUNTEER OPPORTUNITY

Volunteer Program for Students and Recent Grads at the 2018 AHIMA Convention - EXPENSES PAID

Do you want to attend the 2018 AHIMA Convention in Miami, FL, but don’t want to have to pay for all the expenses that come along with going? Well, if you are a student or new graduate, you’re in luck! AHIMA will be providing a volunteer program for the 2018 convention; which includes having some (potentially all) expenses paid (within the AHIMA travel policy guidelines). Not only will volunteers be able to help with activities throughout the convention, but it is also a great opportunity for future HIM leaders to network and become more engaged with the profession! I would encourage you all to take advantage of this opportunity and fill out an application before April 30th, 2018. All criteria that need to be met in order to be considered for this volunteer program is listed within the application. Please see the below links for the applications.

Student Application Link:
https://app.smarterselect.com/programs/49084-AhimaAhima-Foundation

New Graduate Application Link:
https://app.smarterselect.com/programs/49247-AhimaAhima-Foundation

If you have any questions or concerns regarding this program please contact Rebekah Quinn, AHIMA Student Engagement Manager, at rebekah.quinn@ahima.org, or Matthew Mach, MHIMA Student Representative, at mmach1@css.edu.

Thank you for considering this opportunity to volunteer at the 2018 AHIMA Convention and we hope to see you there!

By Matthew Mach
